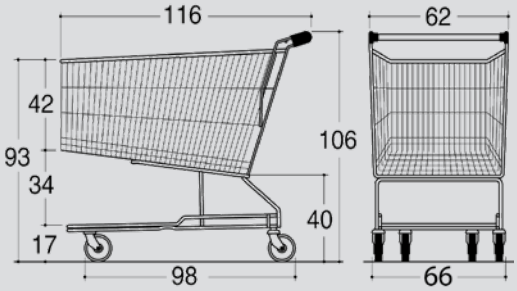
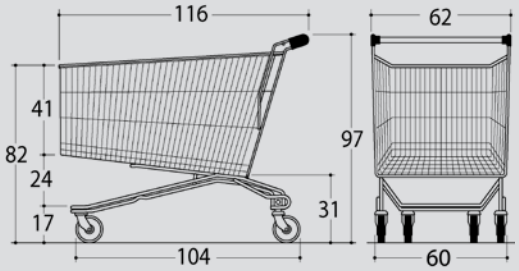
BXM 255 L WITH LOWER SHELF



BXM 255L Security



> BXM 255L

A trolley with large capacity that is available with and without a lower shelf.

The lower shelf has room for three drink crates. In combination with large basket of 255 L, it is perfect as a hypermarket trolley. Despite its size, the trolley is easy to steer and fulfils Caddie's high requirements for quality, durability and ergonomics.

A number of accessories are available. Delivered bright zinc plated or lacquered in a colour. Can be delivered with multiple colour alternatives. Handle with advertising material can be procured.
