*The trolley in the picture has extra equipment

> COMPACT BASE 80L

A newly developed trolley with compact dimensions and with short nesting that can be accommodated in even the smallest shops. Also excellent as a complement to larger trolleys. The trolley is very stable and easy to handle. Delivered with a bright zinc plated chassis, basket and lower shelf. The basket can be lacquered in red, black.

Delivered with Oavly handle. Lock and display are available as accessories. Advertising material in the handle is available as an option.
