RAL 7036

Black Ovaly handle is standard. Also available in blue, red and light grey as an option. Can also be obtained with a decal in the handle. Ergosticks and a detachable wastepaper basket are available as accessories.

## > PRODUCT INFORMATION

- **Polyester coating** = easier to keep clean and fresh
- **Composite loop**= easier to keep clean and fresh, does not rust
- **Separate handle** = easier to keep clean and fresh, different colours for different departments, for example red for meat, blue for fish, etc.
- **Tight wire netting top shelf with frame**, which means that smaller products stay where you put them, do not slide off and are more stable.
