

# JUNIOR WITH BASKET

THE BEST ASSISTANCE FOR EVERYDAY BURDENS.

**EXACT**  
I BUTIK

## > JUNIOR MED KORG

Over many years, this faithful servant has transported tons of loads. From heavy boxes of bananas to light parcels. Its flexible design of oval tubing in combination with its collapsible upper shelf made it a highly popular favourite among transport trolleys.

This model has now been designed with a basket as upper shelf. If you need a coin lock on the trolley, such obviously can be mounted.
